16/00156/FUL

We wish to make a **Non-material amendment** to the planning permission under section 96A of the Town and Country Planning Act 1990 (as recommended to us by Sara Jones ).

The 'amendment' is actually in the form of further detail of the 'ancillary stores ' building located to the rear of the café . It was clearly shown in outline on the approved plans but never shown in elevation .

We now have details of the building proposed , which is to be a replica of an ancillary building at Bovey Tracey .

The proposed plan has been added within the outline on approved Drawing 14130/037A , which becomes **14130/037B**.

An additional drawing, **14130/141/T3** , indicating the Elevations is also attached along with **Application form** duly filled out and signed.

A cheque for £195 will follow in the post.

Please contact me should you require further information .

Jim
